DETAILED ACTION

1. This action is in response to applicant's amendment filed on September 10, 2007. **Claims 15-42** has been cancelled and new **claims 43-67** has been added. **Claims 43-67** are now pending in the present application.

Election/Restrictions

2. The amendment filed on September 10, 2007 canceling all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention because They are drawn to receiving an email message that includes an email address of a sender and an intended recipient from an email server, wherein there are two types of messages; and determining whether said email message is a first type of email message or a second type of email message, while the invention originally claimed and subsequently amended (i.e. **claims 15, 21, 27 and 36**) are drawn to a communication terminal and method of providing a first application and a second application to generate an email message, to transmit an email message to an email server, to receive an email message from said email server, or to open an email message.

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the
